ROBYN ALLAN - Economist

Robyn Allan has had a lengthy and successful professional career in senior executive positions in the public and private sector with an emphasis on insurance, finance and real estate.

She was a Commissioner on the Barrett Commission of Inquiry into the Quality of Condominium Construction in British Columbia as well as its Economic and Financial Adviser.

Her executive positions have included:

- **President and CEO, the Insurance Corporation of British Columbia**
- **Vice-President Finance, Parklane Homes**
- **Executive Director, Vancity Community Foundation**
- **Senior Economist, BC Central Credit Union**
- **Manager Auto Insurance, Saskatchewan Government Insurance**
- **Capital Budget Analyst Crown Investments Corporation of Saskatchewan including among other crown corporations, Saskoil, Potash Corp., and SGI**

Robyn has been a consulting economist and has provided strategic business management and public policy advise to senior personnel in the private sector and in government on a wide variety of issues, with emphasis on investment, corporate restructuring, international trade and business development.

She has been a director for a number of community organizations and publicly listed companies including Vancouver Opera, Ballet BC, and Samoth Capital Corporation.

Robyn has a Bachelor of Arts in Canadian History and a Masters Degree in Economics, both from the University of British Columbia. She has taught Money and Banking, Public Finance, Micro and Macroeconomics at the university level. She has the first year CFA and the Canadian Securities designation.

She was awarded the Forty Under Forty distinction from Business in Vancouver as well as named by the Financial Post as one of Canada's top 200 CEOs.
